Roger is the President of the Cranbrook School Council and serves as Chair of Eureka Benevolent Foundation, a family foundation focused on overcoming socio-economic disadvantage.

NET SURPLUS/DEFICIT AFTER INCOME TAX

The surplus of the company for the financial year was \$ 60,435 (2016: surplus of \$520,848). This reduction in surplus is a result of increased levels of distribution of donations received in the current financial year compared to the prior financial year. Additionally, the company's financial reserves were only required to be increased by \$100,000 in 2017 (2016: \$300,000) and as a result more funds were able to be sent to purpose in program countries. This is reflected in the amount we could commit to program countries to cover the 17% increase in funds invested in global projects compared to the 5% increase in donations revenue recognised in the current financial year compared to the prior financial year.

REVIEW OF OPERATIONS

Following a review of the company's operations during the financial year and the results of those operations, in the opinion of the directors, the company performed above expectations.

PRINCIPAL ACTIVITIES

The principal activity of the company during the course of the year was as a Charitable Organisation, raising funds in Australia for the purpose of programs run by other Hunger Project overseas organisations.

There have been no significant changes in the nature of these activities during the year.

AFTER BALANCE DATE EVENTS

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the company, the results of those operations, or the state of affairs of the company in subsequent financial years.

FUTURE DEVELOPMENTS

The company expects to maintain the present status and level of operations and hence there are no likely known developments in future financial years.

ENVIRONMENTAL ISSUES

The company's operations are not regulated by any significant environmental regulation under a law of the Commonwealth or of a State or Territory.

DIVIDENDS

The company is prohibited from declaring and paying dividends, being a company limited by guarantee.

Directors' Report (continued)

OPTIONS

No options over issued shares or interests in the company were granted during or since the end of the financial year. Furthermore, there were no options outstanding at the date of this report.

INDEMNITIES GRANTED

During or since the financial year, the company has paid premiums in respect of a contract insuring all the Directors of The Hunger Project Australia Limited against liabilities for costs and expenses incurred by them in defending any legal proceedings arising out of their conduct while acting in the capacity of Director other than conduct involving a wilful breach of duty.

The total amount of insurance contract premiums paid was \$2,964 (2016: \$2,937)

ACTIONS

No person has applied for leave of Court to bring proceedings on behalf of the company or intervene in any proceedings to which the company is a party for the purpose of taking responsibility on behalf of the company for all or any part of these proceedings.

The company was not a party to any such proceedings during the year.

DIRECTORS' MEETINGS

The number of meetings of directors held during the year and the number of meetings attended by each director were as follows:

	Number of meetings attended	Number of meetings eligible to attend
Diane Grady	5	5
Rachel Akehurst	5	5
Bruce Beeren	5	5

Notes to the Financial Statements

FOR THE YEAR ENDED 31 DECEMBER 2017

1. CORPORATE INFORMATION

The financial report of The Hunger Project Australia Limited (the Company) for the year ended 31 December 2017 was authorised for issue in accordance with a resolution of the directors on 24 May 2018.

The Hunger Project Australia is a company limited by guarantee incorporated in Australia. The Company is a charitable organisation that contributes to funding and overseeing programs run by other Hunger Project organisations in overseas countries.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of preparation

The financial report is a general purpose financial report, which has been prepared in accordance with the requirements of the Australian Accounting Standards and other authoritative pronouncements of the Australian Accounting Standards Board.

The financial report has been prepared on a historical cost basis and is presented in Australian dollar (\$).

(b) Statement of compliance

The financial report is a general purpose financial report, which has been prepared in accordance with the requirements of the Australian Accounting Standards - Reduced Disclosure Requirements and other authoritative pronouncements of the Australian Accounting Standards Board. The Company is a not-for-profit entity which is not publicly accountable. Therefore, the financial statements for the Company are tier 2 general purpose financial statements which have been prepared in accordance with Australian Accounting Standards - Reduced Disclosure Requirements (AASB – RDRs).

(c) New accounting standards and interpretations

The accounting policies adopted are consistent with those of the previous financial year.

The Company applied for the first time certain standards and amendments which are effective for annual periods beginning on or after 1 January 2017. The application of these standards had no impact in the financial statements of the Company. The Company has not early adopted any standard, interpretation or amendment that has been issued but is not yet effective.

(d) Revenue recognition

Revenue is recognised and measured at the fair value of the consideration received or receivable to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognised.

(i) Other income - interest income

Revenue is recognised as interest accrues using the effective interest method. This is a method of calculating the amortised cost of a financial asset and allocating the interest income over the relevant period using the effective interest rate, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the net carrying amount of the financial asset.

(ii) Fundraising – donations

Income from donations and appeals is recorded when it is probable that the economic benefits will flow to the entity and the revenue can be reliably measured.

Notes to the Financial Statements (continued)

FOR THE YEAR ENDED 31 DECEMBER 2017

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(e) Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at bank and in hand and short-term deposits with an original maturity of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

For the purposes of the Statement of Cash Flows, cash and cash equivalents consist of cash and cash equivalents as defined above, net of outstanding bank overdrafts.

(f) Trade and other receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less an allowance for impairment.

Collectability of trade receivables is reviewed on an ongoing basis at an operating unit level. Individual debts that are known to be uncollectible are written off when identified.

(g) Property, plant and equipment

Plant and equipment is stated at historical cost less accumulated depreciation and any accumulated impairment losses.

Depreciation is calculated on a straight-line basis over the estimated useful life of the assets as follows:

Computers and software	33.33%
Office furniture and equipment	20 %

Asset residual values, useful lives and depreciation methods are reviewed, and adjusted if appropriate, at each financial year end.

Notes to the Financial Statements (continued)

FOR THE YEAR ENDED 31 DECEMBER 2017

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(h) Intangible Assets

The intangible asset of the company comprises the Company's website and is stated at cost.

The website has been amortised on a straight-line basis over the estimated useful life, which is currently determined to be 5 years.

The assets' residual values, useful lives and amortisation methods are reviewed, and adjusted if appropriate, at each financial year end.

(i) Leases

The determination of whether an arrangement is or contains a lease is based on the substance of the arrangement and requires an assessment of whether the fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset. Leases where the lessor retains substantially all the risks and benefits of ownership of the asset are classified as operating leases. Initial direct costs incurred in negotiating an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as the lease income.

Operating lease payments are recognised as an expense in the income statement on a straight-line basis over the lease term.

(j) Trade and other payables

Trade and other payables are carried at amortised cost due to their short-term nature they are not discounted. They represent liabilities for goods and services provided to the Company prior to the end of the financial year that are unpaid and arise when the Company becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured and are usually paid within 30 days of recognition.

(k) Provisions and employee benefits

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Employee leave benefits

(i) *Wages, salaries, annual leave and personal leave*

Liabilities for wages and salaries, including non-monetary benefits, annual leave and accumulating personal leave expected to be settled within 12 months of the reporting date are recognised in respect of employees' services up to the reporting date. They are measured at the amounts expected to be paid when the liabilities are settled.

(ii) *Long service leave*

The liability for long service leave is recognised and measured as the present value of expected future payments to be made in respect of services provided by employees up to the reporting date using the projected unit credit method. Consideration is given to expected future wage and salary levels, experience of employee departures, and periods of service. Expected future payments are discounted using market yields at the reporting date on national government bonds with terms to maturity and currencies that match, as closely as possible, the estimated future cash outflows.

Notes to the Financial Statements (continued)

FOR THE YEAR ENDED 31 DECEMBER 2017

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(l) Income tax and other taxes

The Company is a registered charitable organisation and is exempt from income tax in accordance with section 23(e) of the Income Tax Assessment Act. It is also exempt from sales and capital gains taxes and state payroll tax. It is a GST registered entity.

Other taxes

Revenues, expenses and assets are recognised net of the amount of GST except:

- When the GST incurred on a purchase of goods and services is recoverable from the taxation authority, in which case the GST is recognised as part of the cost of acquisition of the asset or as part of the expense item as applicable; and
- Receivables and payables, which are stated with the amount of GST included.

The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the balance sheet.

(m) Project accruals

Project accruals represent an accrual for funds which the Company has received from investors which are owed to Epicentres, Country based programs or Sectoral programs. These programs are projects in developing countries for which the Company specifically seeks funding from investors.

(n) Services in kind

The measurable fair value of services in kind is disclosed as a separate note to the financial statements. The fair value of these services has been recognised in the results of the company's operations as donations and expenses in the financial year.

(o) Critical accounting estimates and judgements

The estimates and judgements incorporated into the financial report are based on historical results and the best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data from internal and external sources. The bases for all critical judgements and estimates have been disclosed in the foregoing statement of significant accounting policies.

3. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Company's principal financial instruments comprise receivables, payables, cash and short-term deposits.

The Company manages its exposure to key financial risks, including interest rate and currency risk in accordance with the Company's financial risk management policy. The objective of the policy is to support the delivery of the Company's financial targets whilst protecting future financial security.

Notes to the Financial Statements (continued)

FOR THE YEAR ENDED 31 DECEMBER 2017

3. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (Continued)

Risk exposures and responses

Credit Risk

Credit risk arises from the financial assets of the Company, which comprise cash and cash equivalents, and trade and other receivables. The Company's exposure to credit risk arises from potential default of the counter-party, with a maximum exposure equal to the carrying amount of these instruments.

The Company only trades with recognised, creditworthy third parties and as such collateral are not requested nor it is the Company's policy to securitise its trade and other receivables.

Receivable balances are monitored on an on-going basis with the result that the Company's exposure to bad debts is not significant.

Liquidity Risk

Liquidity risk arises from the financial liabilities of the Company and the Company's subsequent ability to meet its obligations to repay its financial liabilities as and when they fall due. All of the Company's financial assets and liabilities are expected to be settled within six months.

Maturity analysis of financial assets and liabilities based on management's expectations

The risk implied from the values shown in the table below, reflects a balanced view of cash inflows and outflows.

Fair Value

The methods of estimating fair value are outlined in the relevant notes to the financial statements.

4. SIGNIFICANT ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements and estimates on historical experience and on other various factors it believes to be reasonable under the circumstances, the result of which form the basis of the carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates under different assumptions and conditions.

Management has identified critical accounting policies for which significant judgements, estimates and assumptions are made. Actual results may differ from these estimates under different assumptions and
